

CAMISE

Penetration of the KPD: CAMLET continues to supply us with info on SED policies, information which is now always accurate and which frequently betrays a pronounced SPD bias. Maintaining this contact is of primary importance to us, however, in the development of CAMISE, a valuable and usually reliable source, requiring little guidance in gathering the type of information we are interested in. She is being groomed for an important position in CAMLET's newspaper an accomplishment that should be credited as much to her drive and ability as to our sponsorship, which latter we try to keep as unobtrusive as possible. Our long-range objective is to have CAMISE supersede CAMLET as our primary source of ALCATRAZ information, utilizing to the full the information-gathering facilities of CAMLET's newspaper and of the Ostbureau (not to be confused with the Ostsekreteriat of the SPD), a private undertaking designed to exploit CAMLET's covert sources in the Soviet Zone.
